Sir,

I have the honour to forward herewith the records received from the President, of Malur Town Municipality with his No.M1-G. 323/45-46, dated 1-4-1946, in the matter of raising the scale of pay of the helper and to state as follows.

The Malur Water Works are being worked by the Municipality with an annual expenditure of Rs.1,500/-. The establishment employed for working the water pump and regulating the distribution of water in the pipes consists of one operator on Rs.25/- p.m., and one helper on Rs.12/-. The present helper Duraiswamy was entertained by the Municipality on 1-8-1932 and is reported to be working satisfactorily since then. He is at present getting Rs.12/- p.m. and the Municipal Council have resolved that his pay may be raised to Rs.15/- p.m. A copy of the resolution is enclosed in the records. The President has reported that provision for meeting the extra expenditure that will result by revising the pay from Rs.12/- to 15/- p.m. has been sanctioned in the budget for 1945-46 and the same may be ordered to be given effect to in view of the good work of the officiel. According to G.O.No.L-8570-85/M1-70-45-4., dated 25-2-1946, the scale of pay for III class water supply installation, the key provided for helpers is Rs.20-1-25 and as this is a minor installation the Municipality has proposed a scale of Rs.15/- p.m. only, which is not much for the post. I request you to kindly obtain sanction of Government to revise the scale of pay from Rs.12/- to Rs.15/-p.m., as revised resolved by the Municipal Council and to allow the benefit

benefit of the same to the present incumbant from 1-7-1945.

The Service Register of the Official is also enclosed.

I have the honour to be,
S i r,
Your most obedient servant,

for Deputy Commissioner,
Kolar District.
